

COLLAB CONFAB

THE OFFICIAL NEWSLETTER OF
COLLABORATIVE PRACTICE DURHAM REGION

Thank you to all of you who joined us at the AGM on April 13th. Tom Klatt offered some great ideas on keeping us, and our clients, safe. We have included some on page 2. We thank him for sharing his expertise.

Plans are underway for our in-person BBQ this summer, currently scheduled for June 15th. Watch your emails and RSVP please! It is a great opportunity to renew friendships, and perhaps meet someone new! Particularly exciting this time around, as it would be our first in-person meeting in a few years. Fingers crossed that we can make it happen!

Hope those May flowers will join us soon! Enjoy the good weather.

CPDR SUMMER BBQ Wednesday June 15, 2022

Looking forward to meeting in person, having a bite to eat, and spending a couple of hours together!

Safety tips

Our AGM speaker, Tom Klatt, offered some reminders about everyday habits to help us stay safe, the most important being to be aware of our surroundings and to trust our instincts! Carry a travel size can of hairspray; keep your hands free when walking (avoid looking at the cell phone and focus on what is going on around you); park under a light; check the back seat; watch body language (clenched fists, staring at/through you, staring at a heavy object that could be used as a weapon); be aware!
